TIS PITY SHE'S A WHORE REHEARSAL NOTES

Number: 5

Wednesday 19th October 2011

GENERAL

1. Just to keep you abreast of developments in rehearsals (no action required as yet): we are now experimenting with Annabella's bedroom (bed, bedside cabinet, wardrobe, chest of drawers etc) in the centre of the space with a doorway USL leading to a bathroom with a glimpse of a bath and the possibility of water, a shower and toilet flushes and an entrance USR. Any furniture that we end up needing will have to be sturdy as it will probably be stood and sat upon (not to mention dances and fights at this stage!) Further details to follow.

Many Thanks
Clare Loxley
